Add the chopped tomatoes, tomato purée, Italian herbs and Condimento Rosso and simmer for a further 4-5 minutes over a medium heat. Taste the tomato sauce again and season to taste. Add the cooked pasta to the tomato sauce and mix well.

Arrange the emmer volanti on plates and serve with basil leaves and vegan parmesan.

Preparation of vegan parmesan

As an alternative to vegan “Parmesan” in one piece, you can easily make your own. To do this, chop all the ingredients in a blender or food processor until medium-fine and pour into a screw-top jar. The “Parmesan” will keep in the fridge for about 3-4 weeks.
