- 3 EL Lemon juice
- 3 EL Wholemeal oat flakes
- 1 EL Byodo classic frying oil
- 1 EL Sugar

Zubereitung

Mix the wheat flour and baking powder. Mix the oil, eggs, yogurt, quark, salt, sugar and vanilla sugar.

Add the flour to the egg mixture and work everything into a smooth batter. Crumble the amarettini and fold in. Peel and quarter the apples, brush with lemon juice. Score the outside of the apples a few times lengthwise in a fan shape. Pour the batter into the springform pan. Place the apple quarters in the pastry with the inside facing down and press in lightly.

Bake the apple pie at 180 °C top/bottom heat for 50-55 minutes. Cover in the last quarter of an hour.

Fry the wholemeal flakes with a little oil in a pan, sprinkle with sugar and allow to caramelize. Spread over the still warm apple pie.
